

10 ways to make peace with money and then make loads of it (What Jo Said Wellness Series Book 5)

One of the most troublesome relationships many of us will experience in life is the one we have with money. Whether you have too much or too little of it, money is one of the most feared and revered elements of our daily lives. But it isn't worthy of fear or reverence. Money just is. And as long as we love it or loathe it, this loving or loathing manifests as monetary imbalance in our lives. But this book is not a financial guide. It will not tell you where to invest and how to save. This book is about you. It's about finding and making peace in your relationship with money. It's about generating wealth and prosperity founded on happiness, balance, confidence and purpose as well as pounds.
