

A Cup of Rage (Penguin Modern Classics)

A savagely short novel of immeasurable ambition and violent beauty. This is the language of genius. Juan Pablos Villalobos Yes, bastard, youre the one I love A pair of lovers - a young female journalist and an older man who owns an isolated farm in the Brazilian outback - spend the night together. The next day they proceed to destroy each other. Amid vitriolic insults, cruelty and warring egos, their sexual adventure turns into a savage power game. This intense, erotic cult novel by one of Brazils most infamous modernist writers explores alienation, the desire to dominate and the wish to be dominated. A new translation by Stefan Tobler Longlisted for the Man Booker International Prize
