

Alfred Sleigh Ride Late Intermediate Piano Duet

By arranging this famous Leroy Anderson piece as a duet, the sound is full and rich, while also being very playable for two late intermediate level artists. The Secondo part will be basically accompanimental, but with great counter-melodies, rhythms, and accents. The Primo part will carry the melody, sometimes with the melody doubled in the hands, and sometimes with chords. Federation Festivals 2011-2013 selection.
