

## Alfred Basic Guitar Method 2 3rd Edition Book, DVD & Online Audio & Video

Alfred's Basic Guitar Method, Book 2 features a new, colorful layout and covers new notes, songs, techniques, and many other important topics. For the first time, companion audio tracks that can be downloaded or streamed online are included with the book, so you'll have everything you need in one place. The available DVD is newly updated and features video lessons, MP3 audio tracks, as well as TNT 2 software which lets you slow down tracks, isolate and loop parts, and change tempos and keys for customized practice. Recognized for over 50 years as the best-paced and most comprehensive guitar method available, Alfred's Basic Guitar Method has introduced over five million beginners to the joy of playing guitar. Now included are blues, country, folk, jazz, and rock styles, plus more pop songs! DVDs are available for the visual learner, and correlating theory, chord, and pop books provide everything you need from one complete method. Learning to play has never been easier or more fun than with Alfred's Basic Guitar Method---the first and best choice for today's beginning guitar students.
