

How to Get On (Classic Reprint)

Excerpt from How to Get On IT is universally admitted that energy and strength of purpose are eminently characteristic of the American people. It is highly important, therefore, to direct these admirable qualities into proper paths, and lead them to a noble end. But it is evident that there are many causes existing in our country which may tend to divert these noble qualities from their proper objects. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
