

## Tis The Season For Murder

Nothing lights up a Christmas party like finding a corpse in the ladies room, and Jolie Wyatt has the dubious honor of stumbling over the dead woman in Barbara Burnett Smith's *Mistletoe* from *Purple Sage*. Fred Hunter's Chicago detective, Jeremy Ransom, and his unofficial partner, the seventy-something Emily Charters, discover a cozy bed-and-breakfast harbors an unsolved murder in *Ransom for a Holiday*. And Walter Satterthwait presents readers with an original short story featuring Joshua Craft. Martins Press.
