

## RULES ALL CHEATERS SHOULD FOLLOW: What To Do When Porking/Banging/Pounding More Than Just Your Significant Other

It can be more complicated than you might initially think. There are many things you have to juggle when stepping out on a spouse or significant other. You may need to account for your money and your time, among many other things. Thinking about situations that might arise before they arise is the way to navigate such choppy waters. You should also consider why you desire to cheat, and whether this will be best for your long term happiness.
