

## Kennedys Daughter - Castros Bastard

What if John F. Kennedy's daughter, Caroline, and Fidel Castro's daughter, Alina, were to have a conversation? In this fictionalized novelization of a screenplay, they spar, giving their own perspectives on their fathers' lives, their mothers' ill-fated loves. Caroline asks, Did he kill him? Did your father kill my father? Later she lashes out, questioning why Alina's evil father remains alive while her own good father went to an early grave. Alina is clear that she has little regard for either man. In her view, their mothers are the heroes and the victims.
