

My Royal Swag: Viewing Life in HD

Author and Speaker Merv Mattair is giving the reader 31 channels to flip through of uncut, reality writing, that's readable only in high definition. Blue collar parables are being used to make the messages even more clearer, so just how far will a man go to empower the youth, families, and marriages of tomorrow? How many people we know have graduated from school, but quickly flunked out of marriages, flunked out of relationships with their kids, or just gave up for different reasons? Motivation, inspiration, encouragement, and empowerment at its best!! Once you begin to view your life in High Definition through reading this, you will refuse to go back to the old fuzzy way of viewing it. You are the season changer and it's all in your thinking and actions!! Enjoy reading Season 1, while acquiring your own Royal Swag.---Peace & Ubuntu, Author Merv T
