

## Roberta Takes the Lead

A motivational story with workbook pages full of insightful questions. Find the leader in you. By watching Roberta navigate a simple, and very common workplace scenario, readers have an opportunity to reflect on each character and develop a personal philosophy of their own. Inspiration to Lead The story of how Roberta steps up to keep a client after a presentation goes wrong will inspire readers to find opportunities to take the lead in their own lives. Readers will connect with Robertas energy, passion, and authenticity as she rises to leadership in the midst of conflict. She is a motivational example illustrating the power of making leadership decisions even when we are not the appointed leader. Roberta Takes the Lead is a great conversation piece for leadership trainers, managers, and even parents who need an illustrative example for discussing leadership. Tools to Excel This book contains 6 workbook pages with thought-provoking exercises for career development, communication and leadership. By going through each question in the book, readers will have an opportunity to reflect on their personal leadership goals and work on a plan to reach and achieve them.
