

Same Job New Life: How to work from home - from anywhere in the world

The ability to work from home presents us with the opportunity to live and work anywhere in the world. This book not only demonstrates that it is possible, but it also shows you how. In Same Job New Life the author shares his personal story of how he maintained his career while changing its location, and offers tips for readers hoping to do the same. Bond walks you through the pros and cons of making the change, and shows you how to implement a realistic strategy for you. This must-read manual shows readers exactly how to harness the power of technology to make living and working from any location a reality.
