

Official Marvel Index to the Amazing Spider-Man, Edition# 9

This issue covers Amazing Spider-Man (1st series) 196 thru 214 and Annuals 13 and 14. Each issue reviewed in the index has a one-and-a-half page summary and a reduced-size reprint of the original cover. Index contributors and consultants include George Olshevsky, Mark Gruenwald, Dennis Mallonee, Lou Mouglin, and Murray Ward. Cover by Kerry Gammill and Joe Rubinstein. The wraparound cover portrays Madame Web and her life support system with Spider-Man and various villains all around her. (Notes: This is the final issue of the index. A short paragraph on the last page indicates that issue 10 will be published as an update to the series at a later date; however, that issue was never published.)
