

Discovering the Long Way Home

Can you trick your parents into caring about you? Marilyn is used to living in the shadows. Her mother is acclaimed actress Amanda Briggs. Her father is action-star Stan Alderman. She has a handful of stepparents and a blend of siblings, but no one seems to want her around. Would anyone even notice if she disappeared? Desperate for attention, 13-year-old Marilyn embarks on a quest to find a place in her family. A fateful encounter with a scarred young truck driver turns her journey upside down, and she finds herself mired in a small town with a big soul. While there, she learns many people have problems bigger than her own, but there is always hope for healing and a new start. As she learns about real love, Marilyn must choose between completing her plans for revenge or taking a risk for the loving family she deserves.
