

## Conference with the Dead

Originally published in a 500 copy edition by Ash-Tree Press, Terry Lamsley's *Conference with the Dead* has long remained almost unobtainable. A nominee for the World Fantasy Award, and winner of the International Horror Guild Award, this chilling collection of ghost stories set in England has remained out of print for far too long. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.
