

Your Emotional Boat: A Field Guide

YOUR EMOTIONAL BOAT Field Guide The Field Guide is a companion book to Your Emotional Boat. The Field Guide utilizes the Personality Styles of the Myers-Briggs Personality Type Indicator and compares them to a boat style. Readers will learn to identify their boating style to help them navigate through life in ways that will help them create the type of life that they want to create. Not only will the reader be able to identify their own personal boat style, but they will also learn how to identify the boat style of the other people in their life. Those involved in counseling, or the service fields, will also learn how to adapt their approach to the people they serve in order to produce the greatest benefit.
